WELCOME TO PRESCOTT

Prescott High School and the City of Prescott extend to every visitor a warm welcome. We are proud to have been selected as host for this outstanding event.

As we participate in this great event as fan, player, coach or official, let us remember that, in all athletic events, the final goal is the molding of a better individual.

Athletic events, such as this, have become a way of life for the American people. If these events are to continue to serve the people of this country, they need the support and encouragement of all.

It is our desire to make your visit to our city and school a pleasant one. Do not hesitate to call on any school or city official for assistance.
